

Managing Congestion & Demand – Meter Hours

SFMTA will partner with District Supervisors and local merchant associations to determine where extended meter hours would be most beneficial to businesses

- Extend meter hours in specific neighborhood commercial districts until 10pm Mon-Sat
- 6-10pm rates set at \$2/hour less than the 3-6pm rate, minimum \$1/hour
- Meter rates adjusted over time using demand-responsive pricing
- Extend short-term parking (green zones) and passenger loading (white zones) until 10pm or later where applicable
- Data collection and evaluation, expansion to other areas if successful
- Parking fees should be priced as low as possible, while ensuring parking spaces remain available
