January 14, 2014

6pm – 8pm

The Board of Supervisors finds and declares that it is in the public interest to officially recognize walking as an important component of our transportation system, and as a key component to creating livable and suitable communities.

Therefore the Board of Supervisors established the Pedestrian Safety Advisory Committee. This Advisory Committee, composed of concerned and informed residents, will provide a source of expertise on issues concerning pedestrian safety, convenience, ambiance, and planning.
