PREAMBLE

1. This Collective Bargaining Agreement (hereinafter "CBA") is entered into by the San Francisco Municipal Transportation Agency (hereinafter "SFMTA"), and the Transport Workers Union of America, AFL-CIO, and Local 250-A, Transport Workers Union (hereinafter "TWU Local 250-A").

ARTICLE I - REPRESENTATION

I.A. RECOGNITION

2. The SFMTA acknowledges that TWU Local 250-A has been certified as the recognized employee representative, pursuant to the provisions set forth in the SFMTA's Employee Relations Operating Resolution for the following classifications:

9132 Transit Fare Inspector

I.B. INTENT

3. It is the intent of the parties that the provisions of this CBA shall not become binding until ratified by the SFMTA and Board of Supervisors and by the membership of TWU Local 250-A (9132).
4. Provisions of this CBA which are in conflict with provisions of ordinances, resolutions, rules or regulations over which the Board of Supervisors and/or the SFMTA Board of Directors has jurisdiction to act, shall prevail. Unless an existing ordinance, resolution, rule or regulation is specifically discussed and changed, deleted, or modified by the terms of this CBA, it shall be deemed to remain in full operational effect.
5. The 9132 Transit Fare Inspector employees covered by this contract will be indemnified and defended by the SFMTA for acts within the course and scope of their official employment in accordance with the applicable requirements of state law. This Article is for informational purposes only and is not subject to grievance or arbitration.

I.C. NO STRIKE PROVISION

6. TWU Local 250-A and each member of the bargaining unit covenant and agree not to initiate, engage in, cause, instigate, encourage or condone a strike, work stoppage, slowdown, or absenteeism. TWU Local 250-A and each member of the bargaining unit covenant and agree not to engage in any form of sympathy strike including, but not limited to, observing or honoring the picket line of any other Union or person.

I.D. OBJECTIVE OF THE MUNICIPAL TRANSPORTATION AGENCY

7. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the SFMTA and its employees. Such achievement is recognized to be a mutual obligation of the parties to this CBA within their respective roles and responsibilities.

I.E. MANAGEMENT RIGHTS

8. ~~TWU Local 250-A recognizes the SFMTA's right to establish and/or revise performance levels, standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. The SFMTA recognizes TWU Local 250-A's or the employee's right to grieve the effect of and implementation of the revised performance levels, norms, or standards.~~

8. The SFMTA has the right to exercise all management prerogatives, including but not limited to the right to:

- a. **fix operating and personnel schedules;**
- b. **implement layoffs;**
- c. **determine work loads;**
- d. **arrange transfers;**
- e. **assign personnel; and**
- f. **issue any other directive intended to carry out its managerial responsibility to operate the transit system safely, efficiently, and economically.**

8a. All matters pertaining to the management of operations, including the type and kind of service to be rendered to the public and the equipment used, the maintenance of discipline and efficiency, the hiring, promotion and transfer of employees, and their discharge or discipline for proper cause, are the prerogatives of the SFMTA, subject to such limitations as are set forth elsewhere in this Agreement, in the Meyers-Milias-Brown Act, San Francisco Charter, Civil Service Rules, the San Francisco Administrative Code and other applicable laws and regulations

I.F. SHOP STEWARDS

9. TWU Local 250-A shall furnish the SFMTA with an accurate list of shop stewards. TWU Local 250-A may submit amendments to this list at any time because of the permanent absence of a designated shop steward. If a shop steward is not officially designated in writing by TWU Local 250-A, none will be recognized.
10. TWU Local 250-A and the SFMTA recognize that it is the responsibility of the shop steward to assist in the resolution of grievances or disputes at the lowest possible level. No more than two shop stewards representing a particular worksite may assist in the resolution of grievances or disputes arising in that worksite.
11. While handling grievances or meeting with SFMTA representatives concerning matters affecting the working conditions and status of employees covered by this CBA, the shop steward shall be allowed time off during normal working hours to perform such duties without loss of pay, provided, however, that time off for investigation shall be reasonably related to the difficulty of the grievance. The shop steward shall not be paid overtime if TWU Local 250-A duties carry the employee past the shop steward's normal duty schedule. Shop stewards shall request time off at least 48-hours in advance of the time off requested, where practicable.
12. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to investigate or present a grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.
13. In handling grievances, the shop steward shall have the right to:
 14. a. consult with an employee regarding the presentation of a grievance or dispute after the employee has requested the assistance or presence of the shop steward;
 15. b. present to a supervisor a grievance or dispute which has been requested by an employee or group of employees to present for resolution or adjustment;

19. Shop stewards shall not interfere with the work of any employee.

20. Stewards shall receive timely notice of and shall be permitted to make appearances at all departmental orientation sessions in order to distribute TWU Local 250-A materials and to discuss employee rights and obligations under this CBA.

I.G. GRIEVANCE PROCEDURE

21. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
22. Definition. A Grievance shall be defined as any dispute which involves the interpretation or application of, or compliance with this Agreement, including suspension and discharge of employees. Civil Service Rule “Carve-outs” are not subject to the grievance procedure nor may be submitted to arbitration. Only permanent employees who have satisfactorily completed the probationary period may grieve suspensions and discharges. A grievance does not include written reprimands, provided however, that employees shall be entitled to submit a written rebuttal to any written reprimand within thirty (30) days from the date of the reprimand. The SFMTA will include any timely rebuttal in the employee’s official personnel file with the reprimand.
23. Time Limits. The time between the Steps may be extended by mutual agreement in writing. Failure by the employee or TWU Local 250-A to follow the time limits, unless mutually extended, shall cause the grievance to be withdrawn. Failure of the SFMTA to follow the time limits shall serve to move the grievance to the next step.
24. Grievance Initiation. Only the TWU Local 250-A shall have the right on behalf of a suspended or discharged permanent employee to appeal a disciplinary or discharge action.
25. In computing the time within which any action must be taken under the grievance procedure, Saturdays, Sundays, and holidays shall not be counted. A grievance may be denied at any level because of failure to adhere to the time limitations.
26. Steps of the Procedure. Informal discussion with immediate supervisor. Except for disciplinary grievances, the grievant shall attempt to resolve grievances by scheduling an informal conference with the grievant’s immediate supervisor, before filing a formal written grievance.
27. Step 1 / Intermediate Supervisor. The employee and the employee’s representative shall submit a written statement of the grievance to the intermediate supervisor. The grievance must include the following:
 - a. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and division of the affected employee or employees;
 - b. The section(s) of the contract which the Union believes has been violated;

- c. The remedy being sought by the Grievant.
28. The SFMTA will return any grievance that does not include the information specified above. The Union may resubmit a new grievance with the corrected information, with all dates and other provisions triggered off the new submission date.
29. All grievances must be filed within fifteen (15) days from the date when the employee or TWU Local 250-A knew or should have known of the circumstance giving rise to the grievance. In cases alleging discrimination or sexual harassment the deadline for filing a grievance shall be four (4) months from the date the employee or the Union knew or should have known of the circumstances giving rise to the grievance. The intermediate supervisor will make every effort to arrive at a prompt resolution by investigating the issue. The intermediate supervisor shall respond within fourteen (14) calendar days.
30. Step 2 / Labor Relations Manager. If the grievance is not satisfactorily resolved at Step 1, the Union may advance the grievance to Step 2, to the Labor Relations Manager within seven (7) days. The Step 2 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reason(s) for rejecting the lower step response and advancing the grievance to the next step. The parties may meet. In any event, the Labor Relations Manager or designee shall, within twenty-one (21) calendar days of receipt of the written grievance, or after the conclusion of the grievance meeting, to respond in writing to the grievant and TWU Local 250-A, specifying the reason(s) for concurring with or denying the grievance.
31. Step 3 / Final and Binding Arbitration. Should there be no satisfactory resolution at Step 2, TWU Local 250-A has the right to submit the grievance to final and binding arbitration within fourteen (14) days of receipt of the Step 2 response by submitting a request for arbitration to the SFMTA Human Resources Director. The parties in binding arbitration are the SFMTA and TWU Local 250-A. Only TWU Local 250-A, not individual employee(s), may move a grievance (including a grievance regarding disciplinary action) to Step 3.
32. Expedited Arbitration. Suspensions of fewer than fifteen (15)-days shall be processed through an Expedited Arbitration proceeding. By written mutual agreement entered into before or during Step 2 of the Grievance Procedure, the parties may submit other grievances or disciplinary appeals to the Expedited Arbitration process.
33. Scheduling. Under no instance shall either TWU Local 250-A or the SFMTA have less than seven (7) days advance notice prior to the scheduling of an Expedited Arbitration, unless mutually agreed by the parties in writing.
34. Selection of the Arbitrator for Expedited Arbitration. The parties will mutually agree on a list of 3 arbitrators to be utilized for expedited arbitration upon ratification of this Collective Bargaining Agreement. This list shall remain in effect for the life of the agreement unless either party wishes to recommend a substitution. Any substitution shall be by mutual agreement of the parties and shall only take place once a year on July 1st of that year. As

a condition of selection each of the arbitrators must certify that the arbitrator will be available to hear the Expedited Arbitration in not greater than thirty (30) days from the arbitrator's selection, or such reasonable time as the arbitrator's schedule permits.

35. Proceeding. No briefs will be used in Expedited Arbitration. Testimony and evidence will be limited consistent with the expedited format, as deemed appropriate by the arbitrator. There will be no court reporter or transcription of the proceeding, unless either party or the arbitrator requests one. At the conclusion of the Expedited Arbitration, the arbitrator will make a bench decision. Every effort shall be made to have a bench decision followed by a written decision. Expedited arbitration decisions will be non-precedential except in future issues regarding the same employee.
36. Non-Expedited Arbitration. Should there be no satisfactory resolution at Step 2, and Expedited Arbitration is not invoked, TWU Local 250-A shall have the right to submit the grievance, in writing, to non-expedited arbitration within fourteen (14) days of receipt of the Step 2 response.
37. SELECTION OF AN ARBITRATOR (Non-Expedited arbitration). The parties shall first attempt to mutually agree on the selection of an arbitrator. The parties will first attempt to mutually agree on an arbitrator within seven (7) days of the invocation of Arbitration. If the parties are unable to agree on a selection within the seven (7) days, either party may request a list of seven (7) appropriately experienced arbitrators from the American Arbitration Association ("AAA") or State Mediation and Conciliation Service.
38. Except when a statement of facts mutually agreeable to TWU Local 250-A and SFMTA is submitted to the arbitrator, it shall be the duty of the arbitrator to hear and consider facts submitted by the parties. It shall be the duty of the arbitrator to hold a hearing within thirty (30) days of acceptance of appointment, or such reasonable time as the arbitrator's schedule permits.
39. Authority of the Arbitrator (both regular and expedited). The decision of the arbitrator shall be final and binding on all parties, unless challenged under applicable law. The arbitrator shall have no authority to add to, subtract from or modify the terms of this Agreement.
40. Costs of Arbitration. In both Expedited and Non-Expedited arbitration, each party shall bear its own expenses, including legal expenses and costs, in connection with the grievance. All fees and expenses of the arbitrator and court reporter and report, if any, shall be borne and paid in full and shared equally by the parties. In the event that an Arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise. Each party waives any right to an award of attorney's fees or costs in any grievance proceedings.
41. Economic Claims. In no event shall a grievance include a claim for money relief for more than a thirty (30) working day period prior to the initiation of the grievance.

I.H. THE DISCIPLINE PROCESS

42. The Discipline Process. The SFMTA shall have the right to discipline any non-probationary permanent employee, temporary civil service employee, or provisional employee upon completion of twelve (12) months service, for just cause.
43. In computing the time within which any action must be taken under the discipline procedure, Saturday, Sundays, and holidays shall not be counted.
44. As used herein "discipline" shall be defined as written warnings, written reprimands, suspensions and discharge. A change of work assignment, either to or from a particular assignment, may not be made solely for disciplinary purposes. Reassignments made for purposes of improving services or addressing performance problems shall not be considered disciplinary in nature and therefore shall not be in violation of this Article.
45. Oral or written warnings and written reprimands shall constitute elements of progressive discipline, but shall not be subject to the grievance procedures. A written rebuttal submitted within thirty (30) working days from the date of a written reprimand, to the Office of Human Resources, will be attached to the written reprimand and both shall be placed in the employee's official personnel file.
46. Where an employee is subject to a disciplinary suspension, the employee shall have the option to serve the suspension through a temporary reduction in pay. An employee's pay may be reduced up to 20% for sufficient time to result in a loss of pay equivalent to the pay that would have been lost during the suspension, had it been served, provided that in no event shall a reduction in pay have the effect of reducing an employee's pay below any rate required by law.
47. Employees who are released or disciplined during their probationary period, may appeal the release or discipline provided that the grounds for the grievance or appeal shall be limited to a claimed violation of Article II.A. In such an appeal the employee shall bear the burden of proof with respect to the claimed violation.
48. No interview of an employee that may result in disciplinary action or at which discipline is to be imposed will be undertaken unless the employee is first advised of the employee's right to representation. If requested by the employee, such representation must be secured within the succeeding twenty-four (24) hour period, excluding holidays and weekends. If the employee does not secure representation within such period, the right is waived.
49. Discipline of non-probationary permanent employees, temporary civil service employees, or provisional employees with twelve (12) months service, may not be imposed unless the following procedure is followed:
 - a. The basis of any proposed discipline shall be communicated in writing to the employee and to TWU Local 250-A no later than twelve (12) working days after management has concluded a reasonable investigation and attained findings on the

event or occurrence which is the basis of the discipline, or the offense will be deemed waived. This timeline shall be extended in cases involving any of the following: (1) investigations of multiple employees; (2) law enforcement response or reports; (3) temporary unavailability of a witness; (4) language barriers; (5) EEO matters; (6) investigations conducted by non-SFMTA personnel; (7) any other case in which the SFMTA and TWU Local 250-A mutually agree.

50. b. Except in emergency situations, where immediate disciplinary action must be taken because of a violation of law or a CITY or SFMTA rule (theft, *etc.*), no disciplinary action can be taken without first providing the employee with the written charges and the materials upon which the charges are based.
51. c. The employee and the employee's representative shall be afforded a reasonable amount of time to respond, either orally at a meeting ("Skelly Meeting"), or in writing, to the management official designated by the SFMTA to consider the reply. Should the employee and the employee's representative elect to respond orally at a Skelly Meeting, the Department will notify the parties at least five (5) days in advance of the meeting, whenever practicable. The purpose of the meeting shall be to permit the employee to respond to the charges against the employee, to offer information regarding the proposed disciplinary action, and to examine the materials, if any, on which the proposed action is based.
52. d. The employee shall be notified in writing of the decision based upon the information contained in the written notification, the employee's statements, oral/written testimony and other supporting documentation and any further investigation occasioned by the employee's statements. The employee's representative shall receive a copy of this decision.
53. e. Progressive Discipline: For most offenses, management is expected to use a system of progressive discipline, under which the employee is given increasingly more severe discipline each time an offense is committed. **Discipline more than two (2) years old shall not be considered in determining the appropriate level of discipline.** Management is not bound by progressive discipline in cases of serious offenses where no specific warning or prior disciplinary action need precede separation for cause. A common pattern may include oral warning, written warning, suspension, and finally, separation for cause.
54. f. Implementation of Discipline. SFMTA shall implement disciplinary suspensions upon completion of Step 2 of the grievance procedure or, if no grievance is initiated within that time, five (5) working days after the post-Skelly Meeting notice.

I.I. UNION SECURITY

1. Authorization for Payroll Deductions

55. a. The Union shall submit any request to initiate, change, or cancel deductions of

Contributions from represented employees' pay according to the Controller's "Union Deductions Procedure" ("Procedure"), which the Controller may amend from time to time with reasonable notice to the Union. If the certification is not properly completed or submitted with the request, the SFMTA shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
57. c. The Procedure is the exclusive method for the Union to request the SFMTA to initiate, change, or cancel deductions for Contributions.
58. d. The SFMTA shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon of the last Friday of a pay period. If the Controller's Office receives the request after that time, the SFMTA will implement the changes in two following pay period.
59. e. If an employee asks the SFMTA to deduct Contributions, the SFMTA shall direct the employee to the Union to obtain the Union authorization form. The SFMTA will not maintain a SFMTA authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller's Payroll Division, the SFMTA shall process the authorization and begin the deduction within thirty (30) days. deductions for one or more employees.

62. h. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the SFMTA shall rely solely on information provided by the Union on such matters. The SFMTA shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The SFMTA shall not resolve disputes between the Union and represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The SFMTA shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 21 business days.

2. Indemnification

63. The Union shall indemnify, hold harmless, and defend the SFMTA against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorneys' fees, legal costs, settlements, or judgments, arising from or related to SFMTA's compliance with this Section I.I. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the SFMTA shall promptly give written notice of any claim to the Union; (ii) the SFMTA shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the SFMTA shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the SFMTA in any matter, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the SFMTA, or agreeing to any injunctive relief or consent decree being entered against the SFMTA, without the consent of the SFMTA. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section

I.J. INFORMATION, BULLETIN BOARDS AND UNION ACCESS

64. Overtime Worked. TWU Local 250-A may have access to records of overtime worked in each department, division or section.
65. Seniority Lists. A list of SFMTA Seniority and Work Seniority detailing the date of commencement of service for all employees and their ranking in order of work seniority shall be maintained at all times by the Department with a copy provided to TWU Local

All posted material shall be dated, shall bear the identity of the sponsor, shall be neatly displayed, and shall be removed when no longer timely, but in no event shall be displayed for more than two (2) weeks. Except as stated below, the SFMTA agrees that identifiable Union literature shall not be removed from said bulletin boards without first consulting with the representative of the Union to determine if the literature should remain for an additional period of time. The Union shall not post literature that is discriminatory, harassing, or violates SFMTA policy or the law. The SFMTA may remove this type of literature immediately and shall notify the Union of its removal. A department may withdraw the authority to use bulletin board space if material is posted on other than authorized bulletin boards or if material posted on bulletin boards is not in compliance with this Article.
68. Union Access. TWU Local 250-A Union Representatives shall have a reasonable right of access to work or non-work areas (bulletin boards, employee lounges and break rooms) and to hallways, in order to reach non-work areas to verify that the terms and conditions of this agreement are being carried out and for the purpose of conferring with employees subject to the rules immediately below. The parties agree that union access to work locations shall not disrupt or interfere with SFMTA's mission and services or the work of employees, or involve any political activities.
69. Union Representatives must identify themselves upon arrival at an SFMTA division. TWU Local 250-A representatives may use SFMTA meeting space with a reasonable amount of advance notice and approval from the SFMTA, subject to availability.
70. In work units where the work is of a confidential nature and in which the SFMTA requires it of other non-employees, the SFMTA may require that Union Representatives be escorted by an SFMTA representative when in areas where said confidential work is taking place.
71. Nothing in this Section is intended to disturb existing SFMTA Union access policies. Further, the SFMTA divisions may implement additional rules after meeting and conferring with the Union.

ARTICLE II - EMPLOYMENT CONDITIONS

II.A. NON DISCRIMINATION

72. The SFMTA and the Union agree that discriminating against or harassing employees, applicants, or persons providing services to the SFMTA by contract because of their actual or perceived race, color, creed, religion, sex/gender, national origin, ancestry, physical disability, mental disability, medical condition (associated with cancer, a history of cancer, or genetic characteristics), HIV/AIDS status, genetic information, marital status, age, political affiliation or opinion, gender identity, gender expression, sexual orientation, military or veteran status, or other protected category under the law, is prohibited. This paragraph shall not be construed to restrict or proscribe any rule, policy, procedure, order, action, determination or practice taken to ensure compliance with applicable laws.
73. A complaint of discrimination harassment or retaliation may, at the option of the employee, group of employees, or Union be processed through the grievance and arbitration procedures of this Agreement, or through the applicable Civil Service Rules, the City Administrative Code and federal and state law. Provided, however, if the employee, group of employees, or the Union elects to pursue remedies for discrimination, harassment or retaliation complaints outside the procedures of the Agreement, it shall constitute a waiver of the right to pursue that complaint through the grievance and arbitration process.
74. ~~Union and the employee shall elect only on administrative remedy through the City and County of San Francisco. That election is irrevocable, provided that if the employee elects initially to use the grievance procedure of the MOU, then before advancing the grievance to arbitration, the employee and the Union must elect between the grievance procedure and other internal administrative remedies. If the employee elects to proceed with the grievance, that election constitutes a waiver of the right to pursue other City administrative remedies. If the employee elects to invoke another administrative remedy, the Union shall withdraw the grievance. 131. Check on Payday is 10% or More Short of Total Due for Pay Period. Second priority, correcting payment to be issued as quickly as possible with the goal of four (4) banking days of report to payroll.

of short checks, issuance of overtime, holiday, vacation, or final paychecks. Departmental representatives will be invited to participate if the Director of PPSD deems it appropriate.

III.D. WORK SCHEDULES

134. Normal Work Schedule. A normal work schedule is a tour of duty comprised of forty hours per week, with five (5) fixed consecutive scheduled days of work and two (2) fixed consecutive days off within a period of seven (7) days.
135. Normal Work Day: Employees shall work eight (8) hours within eight and one-half (8½) hours, with a one-half (½) hour unpaid lunch break. SFMTA will relieve employees of all duty during their lunch period, will relinquish control over employees' activities during that period, will permit employees a reasonable opportunity to take an uninterrupted one-half hour break, and will not impede or discourage employees from doing so. If SFMTA requires an employee to work through the employee's lunch break, the employee will be paid at straight time for that period. At the end of a shift and within the eight (8) hour work period an employee shall receive a ten (10) minute period for dress change.
136. Part-Time Work Schedules. A part-time work schedule is a tour of duty less than forty hours per week. Compensation for part-time services shall be calculated upon the compensation for the normal work schedules proportionate to the hours actually worked.
137. Alternative Work Schedule. Alternative work schedules can be established by mutual agreement. Such alternate work schedules may include full-time work weeks of less than five (5) days. Employees shall have two (2) consecutive days off except by mutual agreement of the parties.

III.E. ADDITIONAL COMPENSATION

138a. FTO PAY (Field Training Officer): Employees designated by their supervisor as Field Training Officers shall be entitled to a premium in the amount of thirty-five dollars (\$35) per day pay when required to perform Field Training Officer duties.

138. The SFMTA and TWU Local 250-A agree that the following rates of premium pay shall apply to those positions agreed by the parties to be eligible for premium pay. All premium pay shall be for hours actually worked. Premiums shall be calculated against the employee's base rate of pay and shall not be pyramided.
139. For example, Employee X earning a base rate of pay of ten dollars (\$10/hr.) per hour receives both Premium A (an additional \$0.65 per hour) and Premium B (5% increase to base pay). Employee X may NOT add Premium A to the employee's base wage BEFORE calculating Premium B, therefore pyramiding the latter premium. All premiums are separately and independently calculated against the base wage. Therefore the correct pay for Premium A is \$0.65 per hour actually worked; Premium B is \$0.50 per hour actually worked.
- 140.

1. LEAD PERSON PAY

141. Employees designated by their supervisor as lead person shall be entitled to **an additional flat rate of twenty-five dollars (\$25.00) per day** ~~five and one-half (5.5%) percent of their base hourly rate premium pay~~ when required to take the lead on any job when at least two other persons are assigned.

144. b. The position to which the employee is assigned must be a budgeted position.
145. c. The employee is assigned to perform the duties of a higher classification for longer than eleven (11) consecutive working days.
146. d. Upon written approval by the Appointing Officer or its designee, an employee shall be authorized to receive an increase of one salary step above the 9132 Transit Fare Inspector employee's base hourly rate (except for employees who are at the top step, who shall receive at least five (5) percent more than their base rate) but which does not exceed the maximum step of the salary grade of the class to which temporarily assigned. Such pay shall be retroactive to the first day of such assignment. Premiums based on percent of salary shall be paid at a rate which includes out of class pay.
147. e. Requests for classification or reclassification review shall not be governed by this provision.
148. In selecting employees for acting assignments under this provision, SFMTA shall take into consideration the employees' work record, attendance, discipline, communication skills, and seniority.
149. Where the above requirements are satisfied but an employee does not receive a premium, the employee must file a grievance within thirty (30) days of written notice of the assignment.

3. SHIFT DIFFERENTIAL

150. Swing Shift. Employees in classification 9132 Transit Fare Inspector shall be paid eight-and-one-half percent (8.5%) more than the base rate for each hour ~~regularly~~ assigned between ~~5~~ **3**:00 p.m. and midnight (12:00 a.m.), except for those employees participating in an authorized flex-time program and who voluntarily work between the hours of ~~5~~ **3**:00 p.m. and midnight (12:00 a.m.). Shift pay **differential** of **eight-and-one-half percent**

(8.5%) shall be paid for the entire shift, provided at least five (5) hours of the employee's shift falls between 5:00pm and midnight (12:00 a.m.). Work hours differential for class 9132 shall be applied to all paid hours.

4. BILINGUAL PAY

152. Employees in classification 9132, Transit Fare Inspectors, who translate or interpret as part of their work shall have their positions designated a "bilingual". A "designated bilingual position" is a position designated by the department which requires translating to and from a foreign language including sign language for the hearing impaired and Braille for the visually impaired.
153. An employee who provides more than forty (40) hours per pay period of non-English services, including Braille and sign language as part of the employee's regular job assignment, shall receive a bilingual premium of sixty dollar (\$60.00) per pay period.

155. Overtime is hereby defined to mean time worked in excess of forty (40) hours in each established work week, except those working an alternative work schedule of more than eight (8) hours in a day. In the event an employee works an alternative work schedule of more than eight (8) hours in a day, the employee shall begin earning overtime rates for time worked after their regularly scheduled workday. Overtime pay is subject to the provisions of the following paragraph. Employees may be required to work hours in excess of their regularly scheduled work day and regular work week. Overtime shall be compensated at one-and-one-half times the regular hourly rate which may include a night differential if applicable. SFMTA shall include jury duty, military leave, and statutory holidays in the calculation of the number of hours worked for the purpose of calculating the hours worked in each established work week. Vacation hours, sick leave, compensatory time and any other paid or unpaid leaves not listed in this paragraph shall not be counted as hours worked for purposes of overtime. If a Fare Inspector working on that employee's regular day off (RDO) does not qualify for overtime pay, the employee shall be paid at straight pay.

156. Employees working in a flex-time program shall be entitled to overtime compensation as provided herein when required to work more than eighty hours per payroll period. Overtime shall be calculated and paid on the basis of the total number of straight-time hours actually worked in a day and week except that jury duty, military leave and statutory holidays shall be considered time worked.
157. Employees covered by the FLSA, designated as non-“Z”, who are required to work overtime shall be paid at a rate of one and one-half times the regular hourly rate, unless in accordance with the other provisions of this CBA overtime work is compensated by accrual of compensatory time off.
158. The Appointing Officer shall not require an employee not designated by a “Z” symbol in the Annual Salary Ordinance to work overtime when it is known by said Appointing Officer that funds are legally unavailable to pay said employee, provided that an employee may voluntarily work overtime under such conditions in order to earn compensatory time off at the rate of time and one-half, pursuant to the provisions herein.
159. Non-“Z” designated employees who are required or suffered to work overtime shall be paid in salary unless the employee and the Appointing Officer mutually agree that in lieu of paid overtime, the employee shall be compensated with compensatory time off. Compensatory time shall be earned at the rate of time and one half. Employees occupying non-“Z” designated positions shall not accumulate a balance of compensatory time earned in excess of 120 hours calculated at the rate of time and one half. Employees occupying non-“Z” designated positions may carry over forty (40) hours of compensatory time into the following fiscal year.
160. A non-“Z” designated employee who is appointed to a position in another department shall have the employee’s entire compensatory time balances paid out at the rate of the underlying classification prior to appointment.
161. A non-“Z” designated employee who is appointed to a position in a higher, non-“Z” designated classification or who is appointed to a position in a “Z” designated classification shall have the employee’s entire compensatory time balances paid out at the rate of the lower classification prior to promotion.
162. The SFMTA Department of Human Resources shall determine whether work in excess of eight (8) hours a day performed within a sixteen (16) hour period following the end of the last preceding work period shall constitute overtime or shall be deemed to be work scheduled on the next work day.
163. Employees occupying positions determined to be exempt from the Fair Labor Standards Act, designated by a “Z”, shall not be paid for overtime worked but shall be granted compensatory time off at the rate of one and one half times for time worked in excess of normal work schedules. “Z” designated employees may not accumulate a balance of compensatory time in excess of 160 hours. A “Z” designated employee may carry over 120 hours of unused accrued compensatory time to the next fiscal year.

164. SFMTA shall maintain an overtime wheel ~~wheel~~ **rotating list**. Initial placement on the ~~wheel~~ **list** shall be by seniority.
165. Scheduled overtime shall be posted at the division, with a copy provided to TWU Local 250-A, at least two days in advance of the actual workday. Employees shall sign up to work overtime on the posted notice not less than 2 days prior to the day on which the employee is requesting to work, EXCEPT Sunday and Monday work must be signed by 12:00 noon on the preceding Friday.
166. An employee who has signed up for an overtime assignment must call in according to unit protocol at the earliest available time, and no later than one hour before being scheduled to work, if the employee becomes unavailable to work overtime. Failure to call in one hour in advance will forfeit the employee's name from the next available overtime opportunity.
167. The overtime ~~wheel~~ **rotating list** will be used to assign all scheduled overtime. The person highest on the list who has signed up for an overtime assignment which falls on their regular day off will receive first preference, then each person who has signed up for an overtime assignment in order ~~on the wheel~~ **of the list**. **If an employee Fare Inspector refuses their turn on the list, they will not be charged as if they had worked and will remain in their current spot on the list. Any employee that wins an overtime shift bid via the rotating list, will then be rotated down to the bottom of the list. In cases involving multiple employees winning overtime shift bids, they will rotate down together, and will remain in the same order at the bottom of the list. If an employee calls out or fails to appear for an overtime assignment, SFMTA will decide at its discretion whether and if so how to fill the shift. Any employee who accepts an overtime shift for someone who calls out or fails to appear, or who is required to work overtime, will not lose their place on the list. If an overtime posting is open to all (no limit on OT slots), the rotating list will not be used. This process will be followed for all overtime shifts no matter the scheduled time length of that overtime.**
168. 9132 Fare Inspectors with documented poor attendance or unsatisfactory work performance shall be removed from the overtime wheel until such time as their attendance/work performance is documented as improved. Requests to be placed back on the rotation schedule shall not be denied in an arbitrary or capricious manner. For purposes of this section, documented means the employee has been sent a written notice describing poor attendance or unsatisfactory work performance by management.
169. An employee will be charged with a "no-show" for **any unexcused** ~~the first~~ failure to report for scheduled overtime. Any repeat "no-shows" within a 30-day period will bar that employee from **voluntary overtime shifts** ~~the Overtime Availability List for 30~~ **ninety (90)** days. "No-shows" may be excused by the general supervisor **management** upon presentation of sufficient evidence of an inability to report to work. **Nothing in this section is intended to prevent the SFMTA from disciplining an employee for one or more "no-shows."**
170. Regular Day Off List. EMPLOYEE(S) desiring to work on their regular day off must

indicate their availability by signing up on an RDO list. An employee called in to work on a regular day off shall be provided with not less than 8 hours of work on that day. If an employee is passed over incorrectly in the RDO rotation pursuant to procedures established by the Department, the employee will be moved to the top of the list established for their next RDO.

- 171. Overtime due to unanticipated needs. Overtime assignments due to operational needs that arise within forty-eight (48) hours of the overtime to be worked shall be made at the discretion of management.
- 172. TWU Local 250-A shall have access to all overtime records.

185. c. Employees regularly scheduled to work on a holiday which falls on a Saturday or Sunday shall receive holiday compensation for work on that day.
186. d. Holiday compensation shall not be paid for work on the Friday preceding a Saturday holiday nor on the Monday following a Sunday holiday.
187. If the provisions of this Article deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, the employee shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the Appointing Officer. Such days off must be taken within the fiscal year. In no event shall the provisions of this Article result in such employee receiving more or fewer

TRANSPORT WORKERS' UNION LOCAL 250-A (CLASS 9132)

holidays than an employee on a Monday through Friday work schedule.

188. Floating Holidays. In addition to the holidays listed above, the employees covered under this CBA will receive four floating holidays. Employees must complete six (6) months continuous service to establish initial eligibility for the floating holidays. The four floating holidays may be taken on days selected by the employee, subject to prior scheduling approval, and after meeting initial eligibility for the floating holidays. Employees hired on an as-needed, part-time, intermittent or seasonal basis shall not receive floating holidays. Floating holidays may not be carried forward from one fiscal year to the next. No compensation of any kind shall be earned or granted for the four floating holidays. Floating holidays shall not be considered holidays for purposes of calculating holiday compensation for time worked.
189. Holiday pay for employees laid off. An employee who is laid off at the close of business the day before a holiday who has worked not less than five previous consecutive work days shall be paid for the holiday.

Part Time Holidays

190. Part time employees, including employees on a reduced work week schedule, who regularly work a minimum of twenty (20) hours in a bi-weekly pay period, and who meet the requirements set forth in Section III.G. shall be entitled to holidays as provided herein on a proportionate basis.

III.H. JURY DUTY

191. An employee shall be provided leave with pay on a work day when the employee serves jury duty, provided the employee gives prior notice of the jury duty to the supervisor.
192. Employees assigned to jury duty whose regular work assignments are swing, graveyard, or weekend shifts shall not be required to work those shifts when serving jury duty, provided the employee gives prior notice of the jury duty to the supervisor.
193. To receive leave with pay for jury duty, employees must (1) provide written proof of jury service from the court to verify actual appearance for each day of jury duty, and (2) decline any payment from the court for jury duty.
194. If an employee is required to call-in during the work day for possible midday jury duty, the employee shall coordinate in advance with the employee's supervisor about whether and when to report to work.

III.I. SALARY STEP PLAN AND SALARY ADJUSTMENTS

195. Appointments to positions in the SFMTA shall be at the entrance rate established for the position except as otherwise provided herein.

1. Promotive Appointment in a Higher Class.

- 196. An EMPLOYEE who has completed a probationary period or six months of continuous service, whichever is less, and who is appointed to a position in a higher classification deemed to be promotive shall have the employee's salary adjusted to that step in the promotive class as follows:
- 197. The EMPLOYEE shall receive a salary step in the promotive class which is closest to an adjustment of 7.5% above the salary received in the class from which promoted. The proper step shall be determined by the bi-weekly compensation grade and shall not be above the maximum of the salary range of the promotive class.
- 198. For purpose of this Section, appointment of an EMPLOYEE as defined herein to a position in any class the salary grade for which is higher than the salary grade of the EMPLOYEE's prior class shall be deemed promotive.

2. Non-Promotive Appointment.

- 199. An EMPLOYEE or officer who is a permanent appointee following completion of the probationary period or six months of continuous service, and who accepts a non-promotive appointment in a classification having the same salary grade, or a lower salary grade, the appointee shall enter the new position at that salary step which is the same as that received in the prior appointment, or if the salary steps do not match, then the salary step which is immediately in excess of that received in the prior appointment, provided that such salary shall not exceed the maximum of the salary grade. Further increments shall be based upon the seniority increment anniversary date in the prior appointment.

3. Appointment Above Entrance Rate.

- 200. Subject to the Controller's certification of available funds and procedures to be established by SFMTA/Department of Human Resources, appointments may be made by an appointing officer at any step in the compensation grade under any of the following conditions:
- 201. a. A former permanent CITY EMPLOYEE, following resignation with service satisfactory, is being reappointed to a permanent position in the EMPLOYEE's former classification;
- or
- 202. b. Loss of compensation would result if appointee accepts position at the normal step;
- or
- 203. c. A severe, easily demonstrated and documented recruiting and retention problem exists,
- or
- 204. d. The appointee possesses special experience, qualifications and/or skills which, in the Appointing Officer's opinion, warrants appointment above the entrance rate.

4. Reappointment Within Six Months.

- 205. A permanent EMPLOYEE who resigns and is subsequently reappointed to a position in

the same classification within six (6) months of the effective date of resignation shall be reappointed to the same salary step that the EMPLOYEE received at the time of resignation.

5. Compensation Adjustments.

206. Prior Fiscal Year. When an EMPLOYEE promoted to a higher class during a prior fiscal year receives a lesser salary than if promoted in the same class and from the same grade step during the current fiscal year the EMPLOYEE'S salary shall be adjusted on July 1, to the rate the EMPLOYEE would have received had the EMPLOYEE been promoted in the current fiscal year.
207. The SFMTA Department of Human Resources is hereby authorized to adjust the salary and anniversary increment date of any EMPLOYEE promoted from one class to a higher classification who would receive a lesser salary than an EMPLOYEE promoted at a later date to the same classification from the same salary step in the same base class from which the promotional examination was held.
208. Salary Increase in Next Lower Rank. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary grade higher than the salary grade of the classification to which it was formerly promotive, the SFMTA Department of Human Resources shall authorize a rate of pay to an EMPLOYEE who was promoted from such lower class equivalent to the salary the EMPLOYEE would have received had the EMPLOYEE remained in such lower class, provided that such EMPLOYEE must file with the SFMTA Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Civil Service Commission rule governing reinstatements to the first vacancy in the EMPLOYEE'S former classification, and provided further that the increased payment shall be discontinued if the EMPLOYEE waives an offer to promotion from the EMPLOYEE'S current classification or refuses an exempt appointment to a higher classification. This provision shall not apply to offers of appointment which would involve a change of residence.
209. The special rate of pay herein provided shall be discontinued if the EMPLOYEE fails to file and compete in any promotional examination for which the EMPLOYEE is otherwise qualified, and which has a compensation grade higher than the protected salary of the EMPLOYEE.
210. Flat Rate Converted to Salary Range. An EMPLOYEE serving in a class in the prior fiscal year at a flat rate which is changed to a compensation grade number during the current fiscal year, shall be paid on the effective date of such change the step in the current salary grade closest to, but not below, the prior flat rate and shall retain the original anniversary date for future increments, when applicable.

6. Compensation Upon Transfer Or Re-Employment.

211. Transfer. An EMPLOYEE transferred in accordance with Civil Service Commission rules

from one Department to another, but in the same classification, shall transfer at the EMPLOYEE'S current salary, and if the EMPLOYEE is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former Department.

212. Reemployment in Same Class Following Layoff. An EMPLOYEE who has acquired permanent status in a position and who is laid off because of lack of work or funds and is re-employed in the same class after such layoff shall be paid the salary step attained prior to layoff.
213. Reemployment in an Intermediate Class. An EMPLOYEE who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the EMPLOYEE would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.
214. Reemployment in a Formerly Held Class. An EMPLOYEE who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the EMPLOYEE is returned. An EMPLOYEE who is returned to a classification not formerly held on a permanent basis shall receive a salary in accordance with this agreement.

III.J. METHODS OF CALCULATION

215. Bi-Weekly. An employee whose compensation is fixed on a bi-weekly basis shall be paid the bi-weekly salary for the employee's position for work performed during the bi-weekly payroll period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.
216. Per Diem or Hourly. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay schedule. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

III.K. SENIORITY INCREMENTS

217. Entry At The First Step. Full-time employees shall advance to the second step upon completion of one year of service and to each successive step upon completion of the one year required service.
218. Entry At Other Than The First Step. Employees who enter a classification at a rate of pay at other than the first step shall advance one step upon completion of the one year required

service. Further increments shall accrue following completion of the required service at this step and at each successive step.

219. Date Increment Due. Increments shall accrue and become due and payable on the next day following completion of required service as an employee in the class, unless otherwise provided herein.
220. Exceptions. An employee shall not receive a salary adjustment based upon service as herein provided if the employee has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since the employee's previous increment equals or exceeds the service required for the increment, and such increment date shall be the employee's new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.
221. When records of service required for advancement in the step increments within a compensation grade are established and maintained by electronic data processing, then the following shall apply: An employee shall be compensated at the beginning step of the compensation grade plan, unless otherwise specifically provided for in this CBA. Employees shall receive salary adjustments through the steps of the compensation grade plan by completion of actual paid service in total scheduled hours equivalent to one year.
222. Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.
223. An employee who (1) has completed probation in a permanent position, (2) is "Laid Off" from said position, (3) is immediately and continuously employed in another classification with the SFMTA either permanent or temporary, and (4) is thereafter employed in the employee's permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from the employee's permanent position.

III.L. SICK LEAVE WITH PAY

224. SFMTA shall grant, accumulate, administer, and enforce sick leave in accordance with Rule 420, Articles II and III of the Civil Service Rules. These rules shall not be subject to review in arbitration, except to the extent that they are used as a basis for discipline.
225. The SFMTA may require that any employee in this bargaining unit submit to an examination by a physician designated by the Department to determine the employee's fitness to perform the employee's duties.
226. On returning from sick leave after an absence of more than five (5) working days, an employee must have a statement from the employee's doctor stating the diagnosis, the

treatment given, and that the employee is capable of performing the employee's regular duties.

227. If an employee will not be at work on the employee's regularly scheduled day, the employee must call-in according to unit protocol one hour before the start of the employee's shift. All time actually worked by each employee shall be maintained on the Time Report.
228. In the case of an employee diagnosed as suffering from mental or emotional stress, elevated blood pressure, eye or heart trouble, or any comparable condition that might affect the employee's ability to perform their duties, the Department may require the employee to report to the Employee Health Unit of the San Francisco General Hospital or other medical facility or physician designated by the Department for clearance before returning to work.
229. In the event of a disagreement between the doctor designated by the Department and the employee's doctor concerning the fitness of the employee to return to work, the Department's doctor and the employee's doctor shall mutually choose a specialist doctor and shall refer the employee to said specialist, whose bill shall be paid by Department. The opinion of the specialist doctor concerning the fitness of the employee to return to work shall resolve the disagreement.

III.M. BEREAVEMENT LEAVE

230. Bereavement Leave is available in accordance with Civil Service Rule 420.

III.N. WORKER'S COMPENSATION

230a. Employee Injured By Battery

For informational purposes only: Incapacity as a result of criminal violence. In accordance with Administrative Code section 16.170, Transit Fare Inspectors who are incapacitated from the performance of their duties by reason of bodily injury or illness received in the performance of their duties and caused by an act of criminal violence shall be entitled, regardless of their period of service with the City, to disability benefits equal to and in lieu of their salary, while so disabled, for a period or periods not exceeding twelve (12) months in the aggregate with respect to any one such injury or illness.

230b. Sick leave with pay under this section shall be known as "leave due to battery" and shall be subject to approval by the MTA Director of Transportation/Designee. The MTA Director of Transportation/Designee shall make such investigation as is deemed appropriate and may include medical examinations by a physician(s) designated by the MTA Director of Transportation/Designee. The decision of the MTA Director of Transportation/Designee may be appealed to the Civil Service Commission whose decision is final. Authorized sick leave under this section shall not be charged against earned sick leave with pay credits. See Civil Service Rule 420.15. This

TRANSPORT WORKERS' UNION LOCAL 250-A (CLASS 9132)

section shall not be subject to the grievance procedure.

231. An employee who is absent because of an occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule. Use of compensatory time requires the employee's appointing officer's approval.
232. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this Article.
233. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.
234. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
235. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.
236. The parties agree, therefore, that this provision clarifies and supersedes any conflicting provision of the Civil Service Commission Rules bargainable and arbitrable under Charter section A8.409.

Return to Work.

237. The SFMTA reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and Local disability anti-discrimination statutes. Requests for accommodation under the ADA or FEHA shall be governed under separate SFMTA procedures established under those laws.
238. The SFMTA will make a good faith effort to return employees who have sustained an occupational injury or illness to temporary modified duty within the employee's medical restriction. Duties of the modified assignment may differ from the employee's regular job

duties and/or from job duties regularly assigned to employees in the injured employee's class. Where appropriate modified duty is not available within the employee's classification, on the employee's regular shift, and in the employees' department, the employee may be temporarily assigned pursuant to this Article to work in another classification, on a different shift, and/or in another department, subject to the approval of the appointing officer or designee. The decision to provide modified duty and/or the impact of such decisions shall not be subject to grievance or arbitration. Modified duty assignments may not exceed three (3) months. An employee assigned to a modified duty assignment shall receive their regular base rate of pay and shall not be eligible for any other additional compensation (premiums) and or out of class assignment pay as may be provided under this agreement.

Return To Work Medical Release Requirement

239. Where an employee has claimed a work-related injury, and where that employee has been determined to be a "Qualified Injured Worker" (unable to return to the employee's usual and customary occupation) due to work related injury, the employee may not return to work without a medical report that fully describes and explains the employee's improvement, clearly states the employee's current work restrictions and clearly releases the employee to return to work. The SFMTA shall not be liable for pay or wages until the employee presents to the SFMTA such a report. Prescription pad or check-box medical releases shall not be sufficient to return an employee to work that has been declared to be a Qualified Injured Worker.

III.O. STATE DISABILITY INSURANCE (SDI)

240. All employees in the bargaining unit(s) covered by this Agreement shall be enrolled in the State Disability Insurance (SDI) Program. The cost of SDI will be paid by the employee through payroll deduction at a rate established by the State of California Employment Development Department.

III.P. LONG TERM DISABILITY INSURANCE

241. The SFMTA, at its own cost, shall provide to employees a Long Term Disability (LTD) benefit that provides, after a one hundred and eighty (180) day elimination period, sixty percent salary (60%) (subject to integration) up to age sixty-five (65). Employees who are receiving or who are eligible to receive LTD shall be eligible to participate in the SFMTA's Catastrophic Illness Program only to the extent allowed for in the ordinance governing such program.

III.Q. VACATION

242. Vacations will be administered pursuant to the Administrative Code, Article 11, Sections 16.10 through 16.16 (dated 12/94).

III.R. HEALTH AND WELFARE

243. For Informational Purposes only: Fare Inspectors are entitled to receive such fringe benefits as are granted to miscellaneous employees in the City in accordance with applicable provisions of the Charter, ordinances or CSC Rules, except as may be additionally provided in this Agreement.

Health Coverage

244. The contribution model for employee health insurance premiums will be based on the SFMTA's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

1. Employee Only

245. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System (HSS), the SFMTA shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the SFMTA's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2. Employee Plus One

246. For employees with one dependent who elect to enroll in any health plan offered through the HSS, the SFMTA shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the SFMTA's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3. Employee Plus Two or More

247. For Employees with two or more dependents who elect to enroll in any health plan offered through the HSS, the SFMTA shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the SFMTA's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or more premium of the second- highest-cost plan.

4. Contribution Cap

248. In the event HSS eliminates access to the current highest cost plan for active employees, the SFMTA contribution under this agreement for the remaining two plans shall not be affected.

5. Average Contribution Amount

249. For purposes of this Agreement, to ensure that all employees enrolled in health insurance through the City's HSS are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in

health insurance costs, it is agreed that, to the extent the SFMTA's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the SFMTA's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the SFMTA's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

DENTAL COVERAGE

250. For permanent full-time Fare Inspectors, the SFMTA shall pick up the full cost of the current citywide dental plan for employees and dependents, and will pay directly to the provider, but Fare Inspectors who enroll in the Delta Dental PPO Plan shall pay the following premiums for respective coverage levels:
 251. a. \$5 per month for Fare Inspectors enrolled in employee only plan;
 252. b. \$10 per month for Fare Inspectors enrolled in employee + 1 dependent plan;or
 253. c. \$15 per month for Fare Inspectors enrolled in employee +2 dependent plan.

CONTRIBUTION WHILE ON UNPAID LEAVE

254. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

III.S. RETIREMENT PICK-UP

255. Represented employees agree to pay their own employee retirement contribution to SFERS.
256. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), SFMTA shall pick up one-half percent (0.5%) of the total employee retirement contributions.
257. Effective October 10, 2015, represented employees who are members of SFERS hired before July 1, 2011, shall receive a base wage increase of three and eighteen hundredths percent (3.18%) in exchange for their agreement to pay two and one-half percent (2.5%) of the seven and one-half percent (7.5%) employee retirement contribution previously picked up by SFMTA.
