Items denoted with an asterisk () can be approved by the City Traffic Engineer after the public hearing and such approval constitutes the CEQA **Approval Action** under S.F. Administrative Code Section 31.04(h). Otherwise, the SFMTA Board will make the final approval at a later date based on the outcome at the public hearing.*

California Environmental Quality Act (CEQA) Appeal Rights under Chapter 31 of the San Francisco Administrative Code: For **Approval Actions**, the Planning Department has issued a CEQA exemption determination or negative declaration, which may be viewed online at <http://www.sf-planning.org/index.aspx?page=3447>. Following approval of the item by the SFMTA City Traffic Engineer, the CEQA determination is subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16, typically within 30 calendar days of the Approval Action. For information on filing a CEQA appeal, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision

A copy of this hearing notice can be obtained at <http://www.sfmta.com/about-sfmta/organization/committees/engineering-public-hearings>. Opinions on these proposed changes may be filed in writing prior to the hearing with **SFMTA Transportation Engineering, 1 South Van Ness Avenue, 7th Floor, San Francisco, CA 94103-5417**. Written opinions may also be transmitted by fax to **(415) 701-4737** or by email to **sustainable.streets@sfmta.com** with subject line "Public Hearing." Submitted opinions will become part of the official public record and will be brought to the attention of the person(s) conducting the hearing. Information on the proposed changes may be obtained from SFMTA Transportation Engineering at the above-referenced addresses or by telephone at **(415) 701-4810**.
