

SFMTA - TASC SUMMARY SHEET

PreStaff_Date: 4/5/2022 Requested_by: SFPW Handled: Garnet Wing Section Head : BBD	<input type="checkbox"/> Public Hearing Consent <input checked="" type="checkbox"/> Public Hearing Regular <input type="checkbox"/> Informational / Other <small>PH - Regular</small>	No objections: _____ Item Held: _____ Other: _____
---	---	---

Location: Ivy Street between Laguna Street and Octavia St

Subject: Sidewalk Extension & Raised Crosswalks

PROPOSAL / REQUEST:

ESTABLISH - TOW AWAY, NO PARKING ANYTIME
 ESTABLISH - SIDEWALK EXTENSION (6-FOOT WIDENING)
 Ivy Street, north side, from Octavia St to 40 feet westerly (40-foot long extension)
 ESTABLISH - RAISED CROSSWALKS
 Ivy Street, east crosswalk, at Laguna Street
 Ivy Street, west crosswalk, at Octavia Street
 (Supervisor District 5)

BACKGROUND INFORMATION / COMMENTS

The raised crosswalks and sidewalk extension is part of the Market Octavia Living Alleys Phase 1A project led by SFPW. The main objective of the Living Alleys program is to create safe and active public places for people, especially where there are narrow sidewalks or little open space, called living alleys.

All vertical deflection measures proposed (humps cushions, and raised crosswalks) must be reviewed and approved through the Prestaff/TASC process.

Proposed raised crosswalks will be constructed of concrete, with design similar to speed tables, with flat tops and marked with staggered continental crosswalks. Concrete color has not yet been finalized, but will be selected from the SFPW Standard Paving Order, which is a palette of tans and grays.

Ivy Street is a residential alley and one-way westbound. Parallel parking on the north side only.
 Street width: 21 feet curb to curb, 7 foot sidewalks
 Block length: 415 feet
 Posted speed limit: 15 MPH
 Grade: 1.5%
 No MUNI routes or truck routes on this street.
