## Bayview Shuttle Request for Proposal (RFP) Update

The project team faced some delays on the RFP release due to staffing issues and prior workload commitments. The project team decided to prioritize the execution of contracts with our Community Benefit Organization (CBO) partners first to start work on the outreach and engagement phases. As a result of this trade off the RFP development process kicked off later than anticipated.

The City Attorney's Office and the SFMTA Contracts team are now finalizing the RFP for a target release date of September 2023.
