Members of the San Francisco's Accessible Parking Policy Advisory Committee, a stakeholder group with a majority of people with disabilities, will present their package of recommendations to increase access to parking and reduce disabled parking placard misuse.

The package includes:

1. Increase blue zones
2. Improve enforcement of placard misuse
3. Improve DMV oversight of placard approvals
4. Allow communities to require placard holders to pay at the meter
5. Use revenue for accessibility improvements
6. Allow communities to establish reasonable time limits for placard holders

For more information about the committee and its recommendations, see www.SFMTA.com/parkingaccess.

The meeting location is accessible to persons using wheelchairs and others with disabilities. Assistive listening devices, materials in alternative formats, American Sign Language interpreters and other accommodations are available upon request to parkingaccess@sfmta.com or **(415) 701-5380**. Providing at least 72 hours notice will help ensure availability.

The Muni F-line Historic Streetcar has an accessible stop in front of the event location at The Embarcadero and Washington Street. The closest Muni Light Rail/BART station is the Embarcadero Station, approximately .3 miles away.

For Muni route, schedule, fare and accessible services information anytime: Visit www.sfmta.com or contact **311**.
