

PUBLIC WALKING TOUR

Tues, Sept 22nd, 8:30-10am

Page Street Bikeway

and traffic calming / "greening" initiative

Please join us for a walking/biking tour of potential changes

**Tuesday Sept 22nd (8:30 - 10 a.m.)
starting at the Mercury Cafe parklet
(Octavia Street at Page Street)**

The San Francisco Municipal Transportation Agency wants your feedback on how to improve Page Street from Webster to Market streets.

This informal, outdoor public meeting will be an opportunity for neighbors and roadway users to walk (or bike) the corridor with the City project team, while discussing key issues and specific design concepts. Potential elements include new bike lanes, pedestrian islands, sidewalk extensions, and vehicle parking and circulation changes.

For more information, or to provide comments, please contact Casey Hildreth at casey.hildreth@sfmta.com or 415.701.4817

As part of the Octavia Blvd Enhancement Project, the SFMTA is exploring ways to improve the safety and comfort for people bicycling and walking along Page Street, and opportunities to add greenery and calm traffic along this important corridor in the Hayes Valley neighborhood.
