

# Potrero Streetscape Improvements Community Open House

**What's happening:** Please join us for an open house to review the future design options for streetscape improvements to Potrero Avenue between 17th and 25th streets. With input from the first two community meetings, the City has developed options that will help revitalize the neighborhood. The options include pedestrian safety improvements, transit enhancements, sidewalk widening, street repaving, additional landscaping, and sidewalk amenities.

**When:** Tuesday, September 24, 2013; 6 to 8 pm

**Where:** San Francisco General Hospital cafeteria  
1001 Potrero Ave. (near 22nd Street), second floor
