CONSTRUCTION WORK AND OTHER UPDATES *continued*

NEW: Cable Car Gearbox Rehabilitation Project *continued*

Bus service will begin at 5:30 a.m., Thursday, May 2 and will continue during regular service hours for about ten days or until the work is completed.

During this time, the California Cable Car Line will operate as usual. The Hyde Line will run partial service between Powell and Washington streets and Hyde and Beach streets.

Bus shuttles will follow the Powell and Mason lines and pick up passengers at the curbside cable car stops.

Regular bus fare will apply.

Maintenance work will also take place at various locations along the cable car lines during this time to maximize the shutdown opportunity.

UPDATE: Central Subway Project

In Chinatown, the sidewalk on the west side of Stockton Street, south of Washington Street, adjacent to the worksite is temporarily closed to facilitate utility upgrade work. There is currently one lane of traffic open on both sides of Stockton between Clay and Jackson streets. Night work is scheduled at the intersection of Washington and Stockton streets to upgrade electrical utilities since Tuesday, April 23 and continuing through Saturday, April 27. Work hours are between 7 p.m. and 5 a.m. each day. For project updates, visit: <https://www.sfmta.com/projects-planning/projects/central-subway-project>.

UPDATE: Van Ness Improvement Project

On Friday, April 26, between the hours of 8 p.m. and 7 a.m., crews are scheduled to work on street light conduits and water main installation at the following locations:

- Van Ness at Lombard Street
- Van Ness at Greenwich Street
- Van Ness at Filbert Street
- Van Ness at Union Street
- Van Ness at Green Street
- Van Ness at Vallejo Street
- Van Ness at Broadway

CONSTRUCTION WORK AND OTHER UPDATES *continued*

UPDATE: Van Ness Improvement Project *continued*

- Van Ness at Pacific Avenue
- Van Ness at Jackson Street
- Van Ness at Pine Street
- Van Ness at Oak Street
- Van Ness at Market Street
- Van Ness at Mission street

Because some work requires reducing Van Ness Avenue to one lane in each direction, some work is limited to nighttime hours. Construction scheduling is subject to change due to weather delays or unexpected field conditions. For more project details and the latest construction updates, visit sfmta.com/vanness.

ONGOING: UCSF Mission Bay Arena Platform Project

The T Third Line has resumed rail service. The Muni platform at UCSF Mission Bay will remain out of service while construction continues. The T Third train will continue skip that stop. Customers should board at Mission Rock and Mariposa stations.

In anticipation of the new Golden State Warriors' arena, the SFMTA is constructing a new 320-foot center platform along 3rd Street between South and 16th streets. The existing platform has been demolished. The new track alignment will include one single and one double crossover to facilitate the movement of vehicles as operations requires. Other associated work includes modification of the overhead contact system, and both above and below ground utility relocation work. Construction will require four phases that will necessitate three separate transit service plans. For more information visit www.SFMTA.com/MissionBayPlatform.

ONGOING: Construction of Mission Bay Loop

The SFMTA has resumed construction on 18th, 19th and Illinois streets. The project is expected to be completed in summer 2019. Traffic, including travelling by bike, may be affected by the construction work. All work areas will be clearly marked and there will be flaggers to help direct traffic. In order to conduct the work, parking on both sides including along the historical Crane Cove Park fence (east side of Illinois Street) will be removed 24 hours, 7 days a week from 18th to 19th and Illinois streets for the duration of the project.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

ONGOING: Construction of Mission Bay Loop *continued*

A partial street closure is currently in effect in order to accommodate duct bank work on Illinois Street between 18th and 19th streets through summer of 2019. Outer traffic lanes traveling both north and south on Illinois Street will remain open for through traffic. Immediately following the duct bank work, the track work will begin.

Local access to properties along the project site will be maintained. For project details or to sign up to receive project updates, visit: <https://www.sfmta.com/missionbayloop>.

ONGOING: Muni Metro Elevator Safety Modernization Project

The Church Station elevator construction work is complete but it will remain out of service until clearance by the State's Occupational Safety and Health Division (Cal/OSHA).

While the elevator is out of service, customer can use the following options to access Church Station:

- **Take an inbound train for L Taraval, M Ocean View, K Ingleside/T Third Streets lines or S Shuttle** - Customers can exit at Van Ness Station, proceed to the outbound platform and take any L, M, K/T or S lines to Church Station.
- **Heading inbound from Church Station** – Customers can use the outbound elevator to access any outbound train, get off at Castro Station, proceed to inbound platform and take any inbound train to continue travel.
- **Accessible service to the Church and Market area is available on the following Muni routes or lines:**
 - J Church (Accessible stops at Duboce and Church as well as inbound at Church at Market)
 - N Judah (Accessible stop at Duboce and Church)
 - F Market & Wharves (serves Church, Van Ness and Castro stations)
 - 37 Corbett (serves Church and Castro stations)
- **Customers with disabilities** can use station escalators to access the inbound platform.

Upon completion of this upgrade work at Church Station, the SFMTA will begin work on elevators at Castro and Forest Hill stations. The entire upgrade project is expected to take about four years to complete.
