

YOU'RE INVITED!

LEAVENWORTH STREET & GOLDEN GATE AVENUE QUICK-BUILD PROJECTS

 Please join us for a Virtual Open House!

The San Francisco Municipal Transportation Agency (SFMTA) will be holding two **Virtual Open Houses** for **Leavenworth Street and Golden Gate Avenue Quick-Build Projects**. These projects are an effort to calm traffic and improve pedestrian and cyclist visibility by implementing cost-effective and temporary design treatments, which can be installed quickly by SFMTA crews. Join us online between **December 15th, 2020 to January 8th, 2021**.

To attend please go to www.sfmta.com/TenderloinQBOpenHouse

The interactive, online event can be accessed at any time during the three-week period. Like the SFMTA's in-person project open houses, when you access the event you will be able to **learn more about the projects such as the schedule, project background, and proposed alternatives by scrolling through the web page**. We invite you to ask questions or provide comments by phone, email, survey, or by attending our office hours. Office hours will be listed on both Virtual Open House webpages.

For more information, please contact the project team at:
TLStreets@sfmta.com | 415.646.2227
