Re: Out of Service Driver

Please be advised that the following driver is **OUT OF SERVICE** and is **NOT AUTHORIZED** to operate a San Francisco Taxicab, until he contacts Eric Richholt at SFMTA at #415-701-5497:

Robert Fisher A-0529

You are on notice that the driver above is no longer authorized to operate a San Francisco Taxi Cab.

Pursuant to 1105(a)(17), "no Permit Holder shall knowingly allow the use of a Taxi or Ramp Taxi vehicle as a motor vehicle for hire by any person who does not hold a **Driver Permit** and California driver's license, or by any person who is not covered by the insurance policy issued for the Taxi vehicle."

Any color schemes allowing the above driver to operate a San Francisco Taxi Cab may be liable for a \$1,000.00 fine for each occurrence.
