

San Francisco International Airport

NOTICE

March 11, 2022

TO: SFO Ground Transportation Permittee

SUBJECT: Reminder – Mask Rules at SFO Remain in Effect through mid-April.

As a reminder to all permittees, Federal officials from the Transportation Security Administration (TSA) are extending the requirement for masks on planes and public transportation for one more month **through April 18, 2022**. TSA personnel will continue to enforce the rule on planes, trains, shuttles, and ground transportation.

Please take care to remind clients and staff of the mandate extension. Your cooperation in keeping passengers and staff safe, coming in and out of San Francisco International Airport (SFO), is appreciated.

If you have questions regarding this Notice, please contact Landside Operations at (650) 821-6500.

A handwritten signature in black ink, appearing to read "Abubaker Azam", is positioned above the printed name and title.
