Operator Convenience Facility Project

Project Background

- Transit service is provided by 2,500 Operators
- 74 Muni routes and 102 transit terminals in San Francisco and into Daly City
- Routes can take 43-85 minutes one-way
- Lack of access to restrooms force Operators to leave scheduled routes to find an available restroom

Operator Facility Access

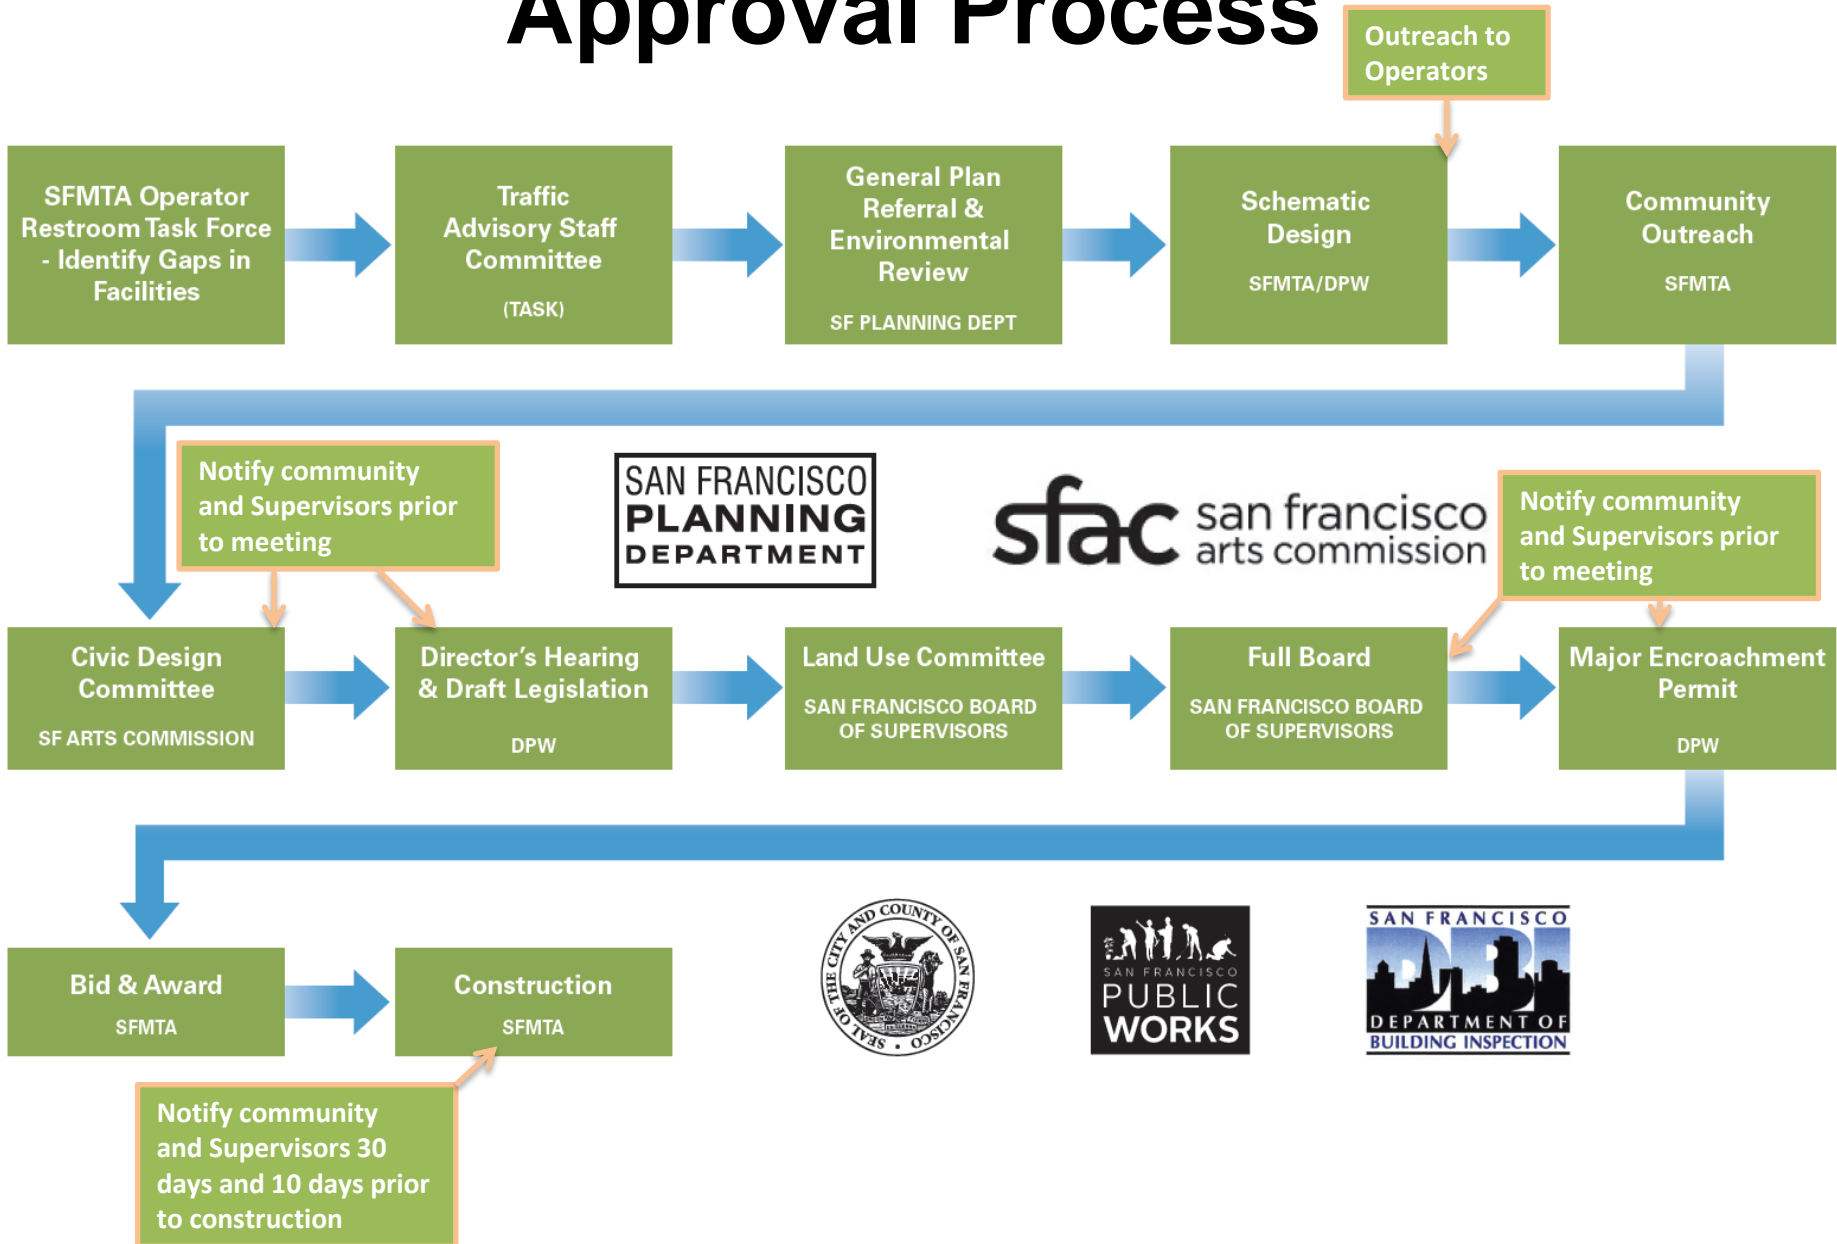

Operator Facility Access

-  Operator Restrooms - New
-  Operator Restrooms - Older
-  Operator Restrooms - Phase 1-2
-  Licenses, Leases, Use Permits
-  Operator Portables
-  Other Available Restrooms
